HOW DOES LUNCH WORK?

There is a 45-minute Lunch Break for all ages, just at different times. You may bring Secure Water Bottles into Classes, no soft drinks or colored messy drinks. We recommend that dancers bring their lunch with them, something that is secure and not messy. If a parent/guardian is bringing lunch for a dancer, they must bring it to the drop-off point (15 mins before the lunch break) in the venue lobby and, have their first & last name on the bag, and place it on the correct table for the age group. Classes will start promptly back after the lunch break.

Have your dancer's name on everything!
