**At DANCE MACHINE, we take care of photos and videos for you, and we do it for FREE!**

You can claim your FREE Photo and Video on the Dakiki App. The QR Code can be found as a PDF on our Website on each Regional City Page, and there will be Signs Around the Venue. QR Codes are for iPhones and Androids. The Dakiki App is also where you will find a printable program, meet the judges, and follow along with the competition on the app to see what routine is on stage and up next.

Please Do Not Monopolize the Dressing Areas; they are used for changing, and we can all work together to keep them clean and have space for everyone. The Dressing Rooms are not for Practicing or Eating. Keeping the dressing rooms clean promotes healthy habits and prevents costumes from being damaged or lost. Having your name on all of your items is always a good idea. Then, if they are lost, it is much more efficient to locate the owner of the lost item.

Please do not change costumes in the Restrooms or those not designated as Changing Areas. Remember your Manners when at a Dance Competition. Please stay seated while dancers are performing a routine on stage. When the routine is over, and the performers are exiting the stage, you may get up between routines.

Let's all be mindful of Noise in the Audience. When it gets loud, it can be picked up in the Judges' Critiques, and it makes it difficult for them to hear and focus on the routine on the stage. Everyone deserves the same performance opportunity. So let's keep our voices and noise down in the audience!

We are hyped to see all the talent on the DANCE MACHINE stage...we are ready for an Awesome Weekend!!
